**Fusible No-Show Mesh Stabilizer (Item #FNSM10)**

- No need for basting or adhesive sprays; this cut-away permanent stabilizer has an iron-on fusible on one side.
- You'll get professional results! This stabilizer resists stretching and eliminates pulling or sagging of designs.
- This stabilizer is so flexible and lightweight, it is virtually undetectable on your project. Plus, it is ultra soft next to the skin.
- Ideal for lightweight knits including T-shirt and golf shirts, wovens and sheer fabrics as well as dense embroidery designs, open-weave fabrics, or complex designs.

**Madeira Rayon Thread (Item #9840 XXXX)**

7 out of 10 professionals specify the rayon thread for their demanding commercial machines. Why? For exactly the same reasons you should: high tensile strength and exceptional color fastness.

- Perfect for quilting, decorative stitching and embellishment, it can be used on all fabrics from the finest silk to the toughest leather or denim.
- Each color is dyed in a painstaking process that gives you a consistency and longevity unequalled by the competition.
- Available in 180 colors.
